

# Coding Schema for Course Modes of Delivery

Modality	Online Approval Required?	Teaching Method Code(s)	Course % Online	Examples
On-site	No	LECT*	5% or less of the class sessions of a course is delivered online	The margin of up to 5% allows for 1-2 sessions to be moved online (for professor absences due to conferences)
Partially Online	No	INTR PONL	6-69% of the class sessions of a course is delivered online	Examples: <ul style="list-style-type: none"> <li>MASL (Research Methods) weekend courses which have 26 hours F2F (57%) and 19 hours online (43%)</li> <li>CAL courses, i.e. 28 hours F2F (62%) and 17 hours online (38%)</li> <li>Grad ed internships (EDUL 615-620), other educational leadership courses listed as partially online</li> </ul>
Blended	Yes	BLND	70-99% of the class sessions of a course are delivered online.	The MSN courses that have not been coded as online but are significantly online. Are there any other courses in this category? Accounting Degree Completion (73% online)
Fully Online	Yes	ONLN	All the class sessions of a course are delivered online.	All the courses which have been coded ONLN, etc.

\* Note that some courses will list both "LECT" and "ONLN" as teaching methods. Those courses will need to determine if they are partially online or blended based on the amount of face-to-face class/meeting time.
