Notes from Our Director

Hi, my name is Ryan, and I'm the new Honors Director. I'm very excited for this year and I look forward to increasing the visibility and making the honors program more exciting! With that said, I am looking for input from all honors students for suggestions. I look forward to meeting you all. My office is in the Nursing Building, room 413. Feel free to stop by!

Someone You Should Know...

Ryan Anderson

If you could only choose one song to play every time you walked into a room for the rest of your life, what would it be?

"Shine on You Crazy Diamond" by Pink Floyd (and yes I know it's 13 minutes long)

If you won the lottery worth \$10 million, how would you spend it?

I would invest \$7 million in index funds and bonds. The other \$3 million.. I would blow on stupid stuff.

What is something cool we don't know about you?

I have seven guitars (ask me for details)
