3rd Semester Retention Overview

Begins with the program and school at entry and tracks enrollment patterns at the third semester. The gray bar presents attrition by the third semester. All other colors present variations on the students' program or school at the third semester. One can filter on school at entry, with undeclared students in a separate category, as they are not associated with a college or school.

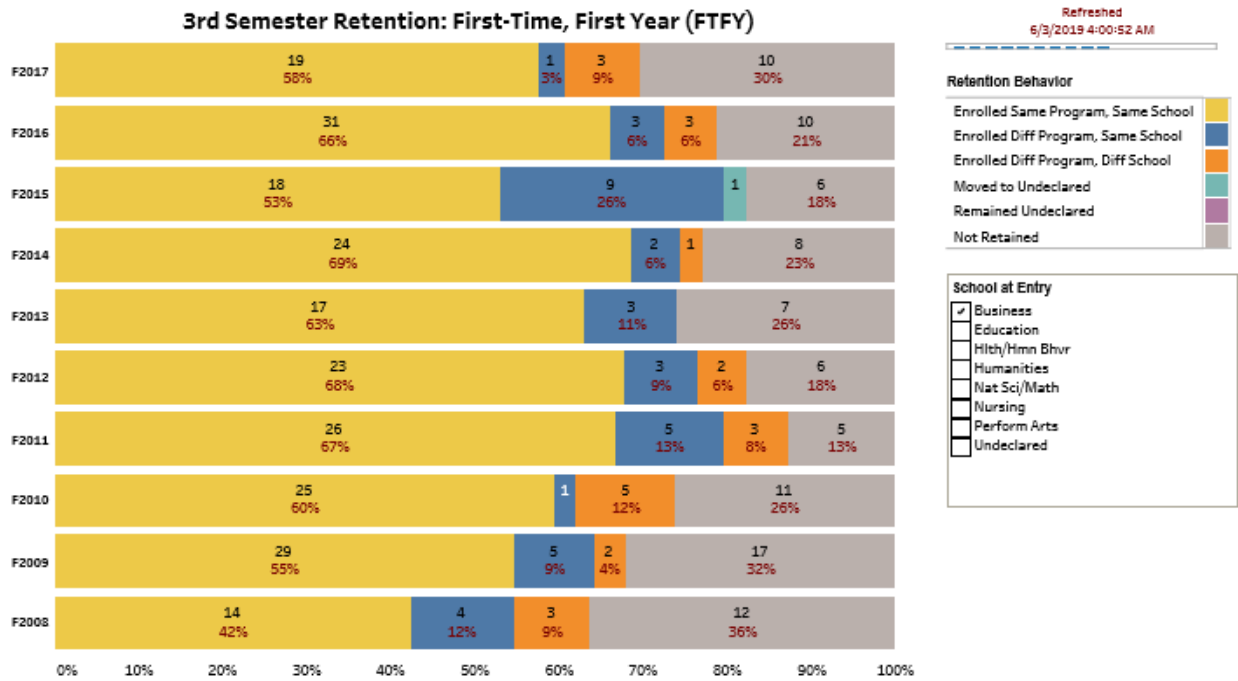

Retention Behavior

- Enrolled Same Program, Same School:** student remained in same program and school in both 1st fall and 2nd fall semester
- Enrolled Diff Program, Same School:** student enrolled 2nd fall semester in different program from 1st fall semester, but remained within the same school
- Enrolled Diff Program, Diff School:** student enrolled 2nd fall semester in program and school that differs from 1st fall semester
- Moved to Undeclared:** student had declared a program in 1st fall semester, but has undeclared program in 2nd fall semester
- Remained Undeclared:** student has undeclared program in 2nd fall semester
- Not Retained:** student did not enroll in both 1st fall and 2nd fall semester
