Communication from The Financial Aid Office

- Emails from the Financial Aid Office are sent exclusively to the student's Viterbo email account.
- During regular Viterbo enrollment periods between August and May, postal mail is sent to the student's local or campus address on record with the Registrar's Office. For students not yet enrolled at Viterbo, mail is sent to an address the student provided to the Admission Office.
- A student should check his/her mailbox and Viterbo email routinely. If a student lives in Viterbo housing, mail is sent to the residential-complex mailbox when classes are in session. During vacation periods, *including all semester breaks and the summer months*, student mail is sent to the home/preferred address that the student has provided to the Registrar's Office. Students are advised to keep their mailing information current at all times.
