

**MARGARET AND CORNELIUS (CON) HAMMELL NURSING SCHOLARSHIP**  
**At Viterbo University**  
**La Crosse, Wisconsin**  
**BSN Program**

**History:** The Margaret and Cornelius (Con) Hammell Nursing scholarship was established by Margaret (Doubek) Hammell '87, in memory of her husband Cornelius (Con) Hammell, and in recognition of their short years together in La Crosse. It is hoped that the recipient, while preparing for a career in nursing, will be inspired by their work ethics and experiences in meeting challenges. Con was one of 12 children and raised on a farm in northeast Iowa. He believed in setting goals and was willing to work very hard to achieve their dreams. He was an ambitious man and they had defined plans for a home in the country on land they had purchased shortly after their marriage. However, he was not able to realize his dreams as he died in 1973 at age 27 in a car accident. Margaret began her career as a junior cost accountant at Trane Company immediately after graduating high school. Following Con's death, she attended the technical school and earned an Associate Degree in Accounting to enhance her skills. She then transferred to Viterbo and graduated with a BS in Business and later earned her CPA status. She has worked at Trane for over 40 years and is currently Assistant Director, Indirect Taxes. Margaret knows that Con would have approved of her desire to invest in young people and would have shared her respect for nursing and for *helping someone to help others*.
