PROGRAM INFORMATION			
What program(s) are you are interested in leading:			
Semester and Year of Program:			
Is this a program that has run in the past or is this currently being proposed?			
Would you serve as the main program leader or the secondary program leader?			
PR	REPARATION AND EXPERIENCE		
1.	How did you hear about the opportunity to become a program leader? What are your personal and professional goals in becoming a leader for this program?		
2.	Have you led a study abroad/away program in the describe.	e past at Viterbo? At other institutions? Please	

3.	What qualifications do you have for leading a study abroad/away program? Please describe any previous experience with travel or residence abroad or in the proposed program location that you feel has prepared you to lead a study abroad/away program. Please describe the location, duration of stay, and experiences that may be relevant.
4.	Do you have any training or experience applicable to the location and/or program that may be relevant from a risk and crisis management perspective?
5.	Short-term study abroad/away programs can be physically, emotionally and mentally taxing, with long days, extensive walking, culture shock, balancing group dynamics, leading (sometimes intense) debriefs, keeping track of the budget and in-country expenses, being 'on-call' 24/7 for students and maintaining your own well-being. Can you please describe past experiences that may have prepared you for the various emotions that can arise on these programs? Or, how might you would work through these challenges while on the program?
6.	Please describe anything else you feel as relevant to know about you.
