1

Click **Conduct** if you are ready to select an interview and get started.

Select **Practice Interviews** to choose an interview designed for you or select **Assignment Interviews** to access your assigned interviews. You can also select **Custom Interviews** to create your own interview.

3 After beginning your interview, the system will take you through a hardware check. Click **Next** when prompted.

2

To move forward select **Proceed to my Interview** 

Have a question? Contact your Interviewing.com representative or email us at **support@interviewing.com** 

### CONDUCTING AN INTERVIEW (CONTINUED)

5

The interview includes a short introduction. The first question will be asked immediately after the introduction's completion.

6

The first question will be asked, you'll be given a countdown, and will immediately be recording your response. Click anywhere to stop recording.

7 After recording your response, you'll have three options. You can review, retry, or submit your response.

8

After submitting your final response an outro video will play and your responses will be uploaded. Be sure to leave your browser open until the upload is complete

Have a question? Contact your Interviewing.com representative or email us at **support@interviewing.com**
