

College Prep List

Junior Edition

- Ask your counselor when college representatives will be visiting your school.
- Make a list of college features that interest you after researching them online and talking with family, friends, college grads, teachers, and counselors.
- Research financial aid with your family at *StudentAid.ed.gov*

Affording Viterbo: www.viterbo.edu/affordingviterbo

- Have a meeting with your counselor and family to discuss ways to improve your college preparations and to help with your college selection process.
- Register for AP exams (if applicable), which are administered in May.
- Consider seeking out free ACT/SAT preparation tools and practice tests.
- Register in advance for the ACT, SAT, or both.

Most students take a standardized test in the spring of junior year. Students are able to retake these exams. Viterbo will use your best score for admission and scholarship consideration.

- Create a list of colleges you are interested in and start researching them.
- Summer before senior year: visit colleges.
- Finish the year strong for college admission reviews. You should start applying to colleges the fall of your senior year.
