TRANSFER SCHOLARSHIPS AND AWARDS

The goal of Viterbo University is to encourage academic merit, address special talent, and recognize the value of enrollments in specific programs of study. Listed below are Viterbo University’s scholarships for new, full-time transfer students intending to enroll in a traditional undergraduate program. Center for Adult Learning programs are excluded from this scholarship. Complete an application for state and federal aid (via the FAFSA), which will allow us to work with each family/student to determine the total assistance available to that student based on merit, need, talent, and the major program of study.
