Emmy Award-winning comedienne Vicki Lawrence is one of the most beloved television personalities of her generation. As a member of the now-legendary cast of The Carol Burnett Show, she created her most endearing character to date, Thelma Harper, or “Mama” as she is better known to her fans. Lawrence went on to star in Mama’s Family, which consistently topped the ratings for its entire six-year run. Lawrence takes the stage first in a show that is not a retrospective, but a mixture of stand-up comedy, music, and observations about real life.

Would it surprise you to know that the story of Rapunzel happened in France? Well it didn’t really, but Missoula Children’s Theatre’s story takes you on a frivolous frolic through the French countryside. Frenchy and his intense friends, the Wood Elves, do their best to help Rapunzel escape the grasp of Madame Gothel with the assistance of the lost Prince, Rapunzel’s parents, and her friends the unicorns. Rapunzel and the rest of the characters tell a silly tale of personal triumph and friendship in this original adaptation.

Auditions will be held Tuesday, Nov. 1 at 3:45 p.m. at the Viterbo Fine Arts Center. Call 608-796-3735 for more information.

A Band Called Honalee is a modern-day folk trio inspired by the legacy of Peter, Paul, and Mary. Musically accomplished, interactive, and energetic, A Band Called Honalee draws inspiration from The Mamas and the Papas, Simon and Garfunkel, The Beatles, Bob Dylan, The Byrds, and other legends of 1960s folk-rock. By reinvigorating their iconic songs with fresh harmonies, A Band Called Honalee brings this vital American music back to life once more.

Based on Arnold Lobel’s beloved children’s books and featuring a jazzy, upbeat score by Robert and Willie Reale, A Year with Frog and Toad is an inventive, exuberant, and enchanting experience for the whole family. This whimsical musical follows two great friends—the cheerful, popular Frog and the curmudgeonly Toad—through four, fun-filled seasons, meeting new friends and celebrating and rejoicing in their differences that make them unique and special.
Giordano Dance Chicago (GDC), America’s original jazz dance company, lights up the stage with its signature power, elegance, athleticism, and unparalleled energy. Now in its landmark 54th season, GDC creates innovative choreography, often redefining and expanding the very definition of American jazz dance. Audience members will be taken on a wide-ranging journey of emotion, music, and dance styles as GDC presents a diverse program of works from its critically-acclaimed and exciting repertoire.
Experience a nostalgic musical journey through the “far out” 1960s. More than just the Beatles, the British Invasion Years’ performance is three shows in one, beginning with classic songs by iconic British groups such as Herman’s Hermits, The Moody Blues, Dave Clark Five, and The Zombies. The American musical response follows, with memorable hits by celebrated artists such as The Monkees, The Turtles, The Mamas & The Papas, and Tommy James and The Shondells. This retrospective concludes with an extraordinary finale paying tribute to the four lads from Liverpool who started it all, the Beatles.

We pride ourselves on being the regional arts center for western Wisconsin and are committed to keeping our programming strong. We need benefactors who share in that commitment. The Franciscan Sisters of Perpetual Adoration who founded this university always had the arts as one of their major initiatives. That is why they built such a beautiful Fine Arts Center and built such a successful training ground for students. Together, we will assure that their dream of “arts for all” continues.
