This Agreement shall be legally binding and irrevocable as to each of the parties hereto while employment continues; provided, however, that either party may terminate this Agreement as of the end of any month, so that it will not apply to salary subsequently paid, by giving at least thirty days written notice of the date of termination; and provided, further, that no more than **two** agreements for such salary reduction may be made within any *taxable year* of the employee.

It is understood that the amount defined below will be paid to TIAA and CREF as premiums to the employee's:

Group Supplemental Retirement Annuities GSRA \$ \_\_\_\_\_ per employee's semi-monthly salary

*The salary reduction amount shall be based on the option(s) indicated above (100% of compensation or \$17,000 for 2012), whichever is less. In addition to the maximum amount permitted under IRC Code 415 and 402(g) the total amount reduction amount noted above shall include the following catch-up provision(s):*

up to \$5,500.00 can be contributed if employee will be **at least 50 years of age** in the Calendar Year 2012 (414(v)).

up to \$3,000.00 can be contributed if employee has **at least 15 or more years of service** (15-Year Rule)<sup>1</sup> The amount you may contribute under the 15-Year Rule<sup>2</sup> must be verified with the Business Office.

I understand that this salary reduction is voluntary, and I am responsible for the selection of and amounts contributed to the available investment vehicles.

Based on my per-pay deduction amount and number of pays received, I certify that my total annual deduction will not exceed the applicable limitations of Sections 415 and 402(g) or the catch-up contributions under the 15-Year Rule and 414(v), if applicable, of the Internal Revenue Code (IRC).
