

All theatre and music theatre majors receiving talent scholarships must complete this form by February 15 each year in order to retain their scholarships. This form should also be completed by theatre majors who wish to apply for talent scholarships.

Student Scholarship and Service Assessment

All theatre and music theatre majors are asked to assess and document their scholarship and service to the Theatre Arts Department each year. The following information will be reviewed by the Theatre faculty and used to assess your performance in the area of academics and production. For students on Theatre Talent Scholarships, this information is used to determine renewal status of the award. This form must be completed or your scholarship may be forfeited. For students NOT currently on a Talent Scholarship, consider this an "application" for Talent Scholarship funds which may become available. Please note that this document will be placed in your permanent file.

Name _____

Year at Viterbo _____ Today's date _____

Major (focus) _____

Do you CURRENTLY have a TALENT SCHOLARSHIP? ____ yes ____ no

ACADEMICS

Cumulative GPA listed on your last report card: _____

Current estimated average grade for courses this semester (A-F): _____

SERVICE: (Write on the back of this form; resumes encouraged.)

- A. Please list all departmental production-related activities, projects, or service activities which you have completed during the course of this year. (You may list crews worked, roles played, design or technical positions held, volunteer activities, or departmental service projects completed during the current school year.)
- B. Why/how is your academic progress or production service this year deserving of a Theatre Arts Talent scholarship award? How do you perceive yourself as a vital, contributing member of the department?
- C. List any "community service" theatre-related projects or activities (on or off-campus) for which you have volunteered during the past 12 months:
