

STUDENT REFERENCE
for
Off-Campus Theatre Involvement

Please Note: *The purpose of this student reference form (to be used by Viterbo University Theatre majors seeking off-campus theatre opportunities) is to give both our theatre faculty and area off-campus theatre producers a better understanding of the academic and production status of individual "shared" student performers or technicians. The goal of this document is to allow for a more coordinated, effective, and educationally sound sharing of students' resources, time, and talents.*

It is expected that any Viterbo University Theatre Arts major would present this completed form to you prior to applying/auditioning for any performance or technical production role.
