

Outdoor Athletics Complex

The V-Hawk Soccer Camp will be held at the Viterbo University Outdoor Athletics Complex, home to men's and women's soccer, men's baseball, and women's fastpitch softball. The Outdoor Athletics Complex includes one of the finest baseball fields in the Midwest, outstanding soccer and softball fields, and a large practice area and is conveniently located on U.S. Highway 16, just 3.5 miles south of Interstate 90.

This state of the art soccer complex is set a short drive northeast of the main campus. Nestled in the bluffs and coulees that have made the La Crosse region famous, this facility rivals any in the region. Recognized as the conference's finest, the competition and practice fields (both 80 x 120 yds.) can be seen just below U.S. Highway 16 near the La Crosse river bed. Travel directions to the Viterbo Outdoor Athletics Complex:

From the South—Heading north on Hwy. 16 through La Crosse, along the bluffs, the field is approximately one mile north of La Crosse before County B (Gillette Street). The Viterbo Outdoor Athletics Complex is on your left.

From the West on I-90—Exit I-90 at the last La Crosse exit, Hwy. 16. Travel south for about three miles. Shortly after passing County B (Gillette Street) look for the Viterbo Outdoor Athletics Complex on your right.

From the North and East—Travel south on Hwy. 16 towards La Crosse. After crossing I-90, follow Hwy. 16 about two miles passing Valley View Mall and County B (Gillette Street). The Viterbo Outdoor Athletics Complex is on your right.
