*Both forms must be in by March 1 to receive priority consideration. Applications may be sent in after March 1 but aid options could be limited.

Failure to provide other requested information within 30 days of the first documented request could result in less aid.

Processing of aid applications will begin in early-to-mid-March. Notices are sent to student’s Viterbo email account. "Offered" aid must be accepted or rejected within 14 days of the first email notice or aid is subject to cancellation.

Communications From The Financial Aid Office

During regular Viterbo enrollment periods between August and May, mail is sent to a student’s local or campus address as maintained by the Registrar’s Office. For students not yet enrolled at Viterbo, mail is sent to an address the student provided to the Admission office associated with their academic program.

Emails are sent exclusively to Viterbo email accounts.

A student should check his or her mailbox and Viterbo email routinely. If a student lives in Viterbo housing, mail is sent to the residential-complex mailbox when classes are in session. During vacation periods, including all semester breaks and the summer months, student mail is sent to the home/preferred address that the student has provided to the Registrar’s Office. Students are advised to keep their mailing information current at all times.

Privacy/Confidentiality And The Parent Portal

The application for financial aid is in the student’s name, thereby limiting the information we are able to share with anyone other than the student, including the student’s parent or spouse. While we realize this may be frustrating, please understand we are following federal privacy laws (FERPA) which, if violated, will jeopardize the University’s right to participate in government-sponsored aid programs.

Would you like us to discuss the specifics of your financial aid with a parent, spouse, or other designee? If so, the student must give the person(s) authority to discuss and view their academic and/or financial information.
