

Viterbo University
Todd Wehr Memorial Library

Technology & Equipment

Computers: The library has desktop computers for use by Viterbo students, employees, and alumni. Computers are located in the cafe, and in labs on the first and second floors of the library. The Instruction Lab (room 238) is also reservable by faculty for in class sessions. Computers in the Learning Commons (room 248) are available after 5pm. There are printers located in the café, Instruction Lab, computer lab 115, and the first floor hallway (color).

Wireless access: The library has wireless access. Please stop at the Main Desk if you need help logging in.

Laptops: The library has laptop computers available for check out for twenty-four hours.

Other Equipment: The library has video cameras and camera accessories, audio recorders, headphones, iPads, and more available for checkout for twenty-four hours. All library equipment available to users can be seen on this list. For additional information, please contact the Main Desk. Library equipment is for the shared use of current Viterbo University faculty, students, and staff. No library equipment may leave the country or be checked out for an extended period without prior approval.
