COMMUTER/EMPLOYEE HUNTING LOTS ARE SIGNED ACCORDINGLY.

An unlimited number of hunting permits will be sold to commuter students who desire parking. A commuter student is a student enrolled at Viterbo University, but not residing in campus-owned housing. Commuter permits will be sold on a first-come, first-serve basis to all commuter students who are enrolled in at least one class. A holder of a permit is allowed to park in Parking Lots A, C, G, H, I, J or M only, but is not guaranteed a parking space, due to the number of hunting permits sold. Permit regulations are enforced from 7:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays or breaks. Vehicles are not permitted to remain in any of the commuter lots past 1:30 a.m.

PARKING PERMITS

To purchase your permit, please visit the Business Office, and make payment with cash or check. Permits may be purchased from 8:00 a.m. to 3:00 p.m., Monday through Friday, beginning August 1, for the permit period beginning August 15. Each student may purchase one permit only. Permit fees are non-refundable. Commuter students may not purchase a resident parking permit. You must present your Viterbo ID and provide accurate information on the year, make, and model of the vehicle, color of the vehicle, license plate number, and your current local phone number. Commuter hunting permits may be purchased anytime during the year, at the annual permit rate. However, a permit is required to park in any of the commuter lots during the year.

All parking permits are to be hung in the front window of your vehicle, from the rearview mirror. Failure to properly display the parking permit may result in the ticketing, towing, or “booting” of your vehicle.

Parking permits are valid for one academic year only, from August 15 through August 14, and must be purchased annually.

FINES/EXPENSES

Per state statute, Viterbo University reserves the right to ticket, tow, or “boot” any parties or vehicles in violation of the University’s parking policies. Warnings are not issued. All fines must be paid according to the instructions on the ticket. Viterbo University reserves the right to place the fine, plus any penalty, on a student’s account, if it remains unpaid. In addition, parking permits may be revoked.
