School of Extended (Adult) Learning

**Class of 2005: December 2004, May and July 2005**

**Note:**

- Number of Graduates "Not Seeking" and "No Report" are not included in calculating percentages
- Percentages based on +/- 1%
- All tables include double majors

The categories and their explanations follow

- **Placement Rate= 99.6%**
- **Total # of Majors and Total # Reporting:** These categories distinguish between the # of majors graduating and the # who have reported. The percentages are calculated based on the total # of majors reporting information, not the total # of graduates.
- **Employed in Field:** People who report their work is related to their academic study, or who we feel are working in a position that utilizes their college degree.
- **Employed out of Field:** People who report work that is not related to their academic study.
- **Graduate and Professional School:** People who are continuing their education in graduate or professional programs as their primary activity.
- **Continuing Education:** People who are continuing their education in programs other than graduate or professional schools as their primary activity.
- **Military Service:** People who report their primary activity in a branch of the armed forces.
- **Available:** People who are actively seeking employment, but have not yet accepted a position.
- **Total Placed:** Number of people who are employed in field, employed out of field, in graduate/professional school, are continuing their education, or are in military service. (Reminder: percentage is calculated based on the total number of majors reporting not the total number of graduates.)
- **Not Seeking:** People who report they are not entering the workforce at this time.
- **No report:** People for whom we are not able to obtain information.
