Someone You Should Know...

One of your favorite memories in the Honors Program? Studying abroad in

Salamanca, Spain last fall semester for Honors Credit. I lived with my two Spanish host parents and 2 "sisters" from China. It truly was an experience of a life time and I miss it everyday .

Favorite childhood memory from Christmas?

Spending time with my family from the Chicago area. When they come to visit, we usually go sledding, make chocolate covered pretzels, and talk for hours on end. It always is a great time. Also, eating the monkey bread my mom makes every Christmas day morning. So good!

Favorite childhood memory from Christmas?

Since we usually host our entire family for

Christmas, I have a lot of great memories of spending time with extended family. In particular, when I was a kid, I remember spending all day helping bake several different kinds of Christmas cookies, listening to Christmas music, and playing Go Fish between cookie batches.

Favorite food during the holidays? My favorite Christmas/holiday food would have to be my aunt's gingerbread cookies.
