## Someone You Should Know...

### Mallory Topel

Last show you binge watched? *Alias Grace* on Netflix. It's based on actual events from the 19th century! If you're a fan of strong female characters and murder mysteries, I'd highly recommend! Also, it's a mini series, so it's only 6 episodes. Perfect for a binge watching session

What you excited for? I am really excited to be stage managing Viterbo's production of *The Wolves*, as it touches on issues that are still happening today (since it was first produced in 2016) and gives young women a voice in the theater. It also looks at young women as human beings; people who are not just someone's girlfriend or sex objects, but athletes and daughters and students and scholars and people. Tickets are \$10 for students!

### Strength for Your Day

when you thought everything would be easy peasy lemon squeezy but it's actually difficult difficult lemon difficult

After serving at Place of Grace on 9/30, it was brought to our attention that Place of Grace is always looking for donations of meat and produce. The Honors program donated about \$50 of ground meat to Adrian, the house coordinator.
