

**LOCHER FAMILY NURSING SCHOLARSHIP**  
**At Viterbo University**  
**La Crosse, Wisconsin**  
**BSN Program**

**History:** The Locher Family Nursing Scholarship was started by Sandra H. Locher to honor the memory of her husband, Roland A. Locher, M.D., who practiced radiology 1967-1993 and instituted Interventional Radiology in the La Crosse area, serving both Gundersen Lutheran and St. Francis Hospitals with this innovative treatment. A man of many talents, he understood that whether student or teacher, patient or physician, builder or architect, we were all but bridge builders spanning the generations, and that education was one of the great trusses supporting these bridges. This scholarship, then, is his legacy to future generations of 'bridge builders'. It is also the wish of the Locher family to honor Sister Leclare Beres, FSPA, MSN, visionary founder of the St. Clare Health Mission and director in its first decade. Her wisdom, practicality, energy and selfless devotion to those in need are an inspiration and beacon for the dedicated staff, students, and volunteers who endeavor to keep the dream of 'health care for all' alive.

**Selection Criteria:** The selection of the Locher Family Nursing Scholarship recipient shall be based on evaluation of the one-page written response to this statement: *I believe that the poor and elderly, and their families, deserve the best possible care. As a nursing student, I have demonstrated this and I believe I will be able to incorporate this commitment in my career by...*, as well as, financial need.

***BSN program***

- a. Full-time nursing student; apply as sophomore
- b. A Viterbo University cumulative GPA of 3.25
- c. Need for financial assistance
- d. A one-page written response addressing this statement:  
*I believe that the poor and elderly, and their families, deserve the best possible care. As a nursing student, I have demonstrated this and I believe I will be able to incorporate this commitment in my career by...*

**Scholarship shall be awarded annually and is renewable for one year, if recipient achieves a 3.25 average in his/her previous two semesters.**

**NOTE: Student required to reapply annually for funding.**
