Notes from Our Director

Greetings! Conversations with returning and new Honors students this summer, the first week of VUSM100 and Deep Fried-ays, and meetings with your Leadership Board and Exploring Leaders teams have confirmed for me that this is the best job on campus. I am *Honor*-- no, no, avoid obvious puns in formal introductions -- it is a *privilege* to be co-learning, leading, and "leisuring" with such an inspiring group of students. As a peripatetic, I look forward to the conversations to come this year wherever they may be - in the new lounge (MRC 573), my office (MRC 523), and the many liminal spaces where our paths may cross.

Peace, Matthew Bersagel Braley

Someone You Should Know... Matthew Bersagel Braley

If you were famous, what would you be known for?

Well, my fear is that this question was answered this summer as a result of an unfortunate incident involving a bicycle and a squirrel.

What is one thing on your bucket list?

I have polyglot envy. I love languages, but I have never spent the time to become fluent in a language other than English. So, fluency or even proficiency in another language is on my bucket list.

Though at the rate I am going and with my lack of discipline, my list is full of buckets with holes.
