

Reflections: Learning Through a Pandemic

A Viterbo University art exhibition featuring Wisconsin and Southeast Minnesota high school Juniors and Seniors 2021-2022.

Viterbo University invites current regional and Wisconsin state high school Juniors and Seniors to submit 2D artworks that were created in the 2021-2022 school year. The theme of this show, *Reflections: Learning Through a Pandemic* will show the strengths and challenges that students have faced personally, socially, or academically throughout this time. We encourage all types of 2d media to be submitted. Artwork will be installed in the Viterbo University Fine Arts Center.
