SCHOLARSHIPS AND FINANCIAL AID

10/2021

Education is one of the best investments you will make. While our graduates do quite well (Viterbo graduates have a 100% placement rate), this is not an investment you need to make on your own. Viterbo is here to help.

Viterbo awards academic scholarships to new full-time transfer students enrolling in traditional undergraduate programs upon official acceptance. Online bachelor completion programs are excluded from these scholarships. Transfer students should also apply for additional scholarships and complete the FAFSA so we can award all federal, state, or institutional aid available based on merit, need, talent, and the major program of study. The FAFSA priority filing deadline for fall 2022 is **Feb. 1, 2022**.
