

VITERBO UNIVERSITY

EIGHTY-FOURTH SPRING

Commencement

Saturday, May 13, 2023

1 p.m.

La Crosse Center

Prayer of St. Francis

Lord, make me an instrument of Your peace.

Where there is hatred, let me sow love.

Where there is injury, pardon.

Where there is doubt, faith.

Where there is despair, hope.

Where there is darkness, light.

And where there is sadness, joy.

O Divine Master, grant that I may not so much seek

To be consoled as to console.

To be understood as to understand.

To be loved as to love.

For it is in giving that we receive.

It is in pardoning that we are pardoned.

And it is in dying that we are born to eternal life.

The University Seal

Using symbols and words, the university seal reveals the rich history of Viterbo based on mission and purpose. The original seal, which has twice been slightly modified, was created in the early 1960s by Imogene Thiele, FSPA, a member of the art department.

Designed according to the science of heraldry, the shield located in the center of the seal contains a wealth of information. Clockwise from upper right: the cross symbolizes Christian identity; the wavy lines portray the Black, La Crosse, and Mississippi Rivers, which join forces in La Crosse to provide Viterbo with its unique geographic location; the torch of learning symbolizes the chief function of the university; the rose honors St. Rose of Viterbo,

the patron saint of the Franciscan Sisters of Perpetual Adoration, the founders of Viterbo.

Beyond the shield, the word “knowledge” is retained from a very early Viterbo motto taken from the Bible: “Teach me goodness, discipline, and knowledge” (Ps. 118:66). Later “faith” and “service” were added to complete the virtues to be embodied in a liberal arts education.

The final elements contain basic information specific to Viterbo’s location, in La Crosse, where the mission of Viterbo University began in 1890. Two small tau crosses are to be found in the outermost ring, proclaiming the Franciscan heritage of Viterbo. The tau was the standard cross in the days of St. Francis, and it is formed by the Greek letter “T.”

With its rich symbolism, the university seal is a constant reminder of Viterbo’s past as well as a guide to the future for all who are here today.

Honors

Honor medallions are worn by bachelor degree students who have achieved a cumulative grade point average of 3.50 or above and will have earned a minimum of 45 letter-graded credits at Viterbo University upon completion of all requirements.

Candidates for graduation wearing the cardinal stoles have completed the Viterbo University Honors Program. The military stoles are being worn by candidates for graduation signifying their service in the U.S. Armed Forces.

In addition, candidates for graduation may qualify to wear cords signifying contributions or achievements to a university organization or academic honor society. The organizations are represented by the following colors:

- Chi Sigma Iota Counseling Academic and Professional Honor Society (mental health counseling) — blue and white
- National Society of Leadership and Success — black and platinum
- Phi Alpha (social work) — blue and gold
- Pi Lambda Theta (education) — yellow
- Psi Chi, the International Honor Society in Psychology — platinum and dark blue
- Sigma Theta Tau (nursing) — purple
- Student Government Association — cardinal and silver
- Tri-Beta (biology) — red and green
- Veterans of Armed Services — red, white, and blue

Academic Regalia

The San Damiano Cross

In lieu of the university mace, which is often the traditional symbol used by institutions of higher learning, the San Damiano Cross has come to represent Viterbo.

The San Damiano Cross is the sacred symbol before which Francis of Assisi prayed and heard God's commission to "rebuild the church." This icon was painted some time shortly after the first millennium, at a time when the authentic humanity of Jesus was becoming more appreciated in the faith life of the people. In the early centuries of the Christian communities, the divinity and royal priesthood of Jesus was emphasized. The San Damiano Cross pictures the luminous figure of the resurrected Christ radiating out from a dark and deathlike background. He presides over an all-inclusive cloud of witnesses: companions and friends, souls who have gone before him, and heavenly spirits. All of these figures have the hand of God pictured over them in a blessing. The

crucifix is a distinctive art piece used by those who practice a Franciscan spirituality.

The San Damiano Cross is a symbol of the Franciscan heritage and identity of Viterbo. It attempts to stress the promise by God of a future that will respond to human hope. It affirms the continuity between the exercise of human freedom in this world and the final state of things. It draws all into the reality of God's life. The San Damiano Cross offers a true and contemporary symbol for Franciscan higher education.

History

The academic dress worn today for ceremonial occasions originated in the universities of the Middle Ages when classrooms were unheated and the academic gown and hood kept scholars warm. It became a distinctive symbol of academic pursuit, setting the academic apart from the non-academic, hence the phrase "gown versus town."

The gown was standardized in the U.S. in 1894 when the American Intercollegiate Commission determined that all robes would be black. The master's robe is distinguishable by long, closed sleeves; the doctor's gown by a facing of black velvet from the hem to the neck and back, with three velvet bands around each sleeve above the elbow.

The traditional hood, also black, displays significant colors. The lining represents the colors of the university granting the wearer's highest degree. The color of the hood facing signifies the individual's academic discipline or school of study.

Although there has been much innovation in gown and cap design in recent years, the standard colors representing the various academic disciplines have remained the same: white (arts and letters), purple (law), scarlet (theology), dark blue (philosophy), yellow (science), brown (fine arts), pink (music), copper (economics), lemon (library science), light brown (business), light blue (education), citron yellow (social work), white (mental health counseling), white (nutrition sciences), and apricot (nursing).

Academic Regalia

Flags

The colored flags displayed on stage represent the academic disciplines offered by Viterbo University. The international flags also displayed on the stage today represent the home countries from

which candidates for graduation have come. The displaying of flags is intended to show Viterbo University's commitment and respect for a diverse community.

2023 Honorary Degree

Sandra Brekke '19 – Doctorate in Humane Letters

Sandy Brekke has been a transformative leader in the Seven Rivers Region and at the state level, helping those who have the least access and are most marginalized. She leads not only from behind her desk but on the streets—meeting people where they are and addressing the whole person. Her balance of action, practice, theory, and systems change implementation makes Brekke a standout in the public health field.

A former Intensive Care Unit nurse, Brekke began her time at St. Clare Health Mission as a volunteer. She was drawn into the work and demonstrated a fierce advocacy for people experiencing poverty and homelessness. She would go on to serve as the director of the organization for 15 of the 27 years she worked there.

Based on her experience and expertise, Brekke was one of 33 people in the state named to the Wisconsin Health Equity Council in 2020. Governor Tony Evers established the Council in March 2019 to create a comprehensive plan to address the factors that perpetuate health disparities and achieve equitable outcomes for everyone in Wisconsin by 2030.

The breadth of Brekke's advocacy to serve the whole person has led her to improve health systems, including increasing access to dental care, youth mental health services, and youth homelessness assistance. She served on the Homeless Youth Task Force in La Crosse, was vice chair for the Board of Directors of the La Crosse Community Foundation, and was a member of the La Crosse County Mental Health Prevention Committee. Brekke is a steering committee member of Better Together, a project of the Great Rivers United Way, the University of Wisconsin-La Crosse, the Health Science Consortium that addresses youth mental health through social connectedness and resilience.

Brekke currently serves as senior consultant to the Office of Population Health at Gundersen Health System. She has been instrumental in establishing and guiding the Collaborative to End Homelessness and the Alliance to Heal. She helps lead the Street Medicine Initiative at Gundersen and is instrumental in the organization's work with community health workers in addressing social determinants to health.

A 2015 Iverson Freking Award Winner, a recipient of the YWCA Tribute to Outstanding Women award for volunteerism, and the Central High School Hall of Excellence award, Brekke earned a Master of Arts in Servant Leadership degree from Viterbo University in 2019.
