Assignment Policy

Viterbo University will not discriminate in room or building assignment on the basis of race, color, religion, sexual orientation, national origin, or ancestry. Continuing residents will be given the opportunity to select their rooms in accordance with reassignment and selection procedures announced by the university. The university reserves the right to place limits on the number of residents to be reassigned, in order to maximize space for new residents. New residents will be assigned to their preferred building to the extent possible. Failure to honor assignment preferences will not void the contract. The university reserves the right to change room or building assignments, to assign roommates, or to consolidate vacancies. This may be done by requiring residents to move from single occupancy of rooms designed as doubles to double occupancy in the same building. If a student refuses to consolidate, they are subject to paying the single room price designated for that building on a prorated basis.

Eligibility

You must be enrolled at Viterbo University and be determined eligible to reside in student housing by the Director of Student Life or other appropriate Viterbo University authority. Students are required to have full-time status to live on campus. Students carrying less than 12 credits must request approval of the Assistant Dean of Student Community to live on campus.

Refunds and Appeals

The \$100 deposit is refundable only with a written request received by May 1, 2023 for returning students. Information on Termination of Contract after May 1st can be found in the Housing and Dining Service Agreement.
