or part time

100% ONLINE

PROGRAM OVERVIEW

Viterbo's online health care management degree completion program allows you to rapidly achieve your Bachelor of Business Administration by transferring previously earned college credits, military credits, or credit for prior learning. Explore the business side of health care, enhancing your practical experience and expanding your expertise in legal and ethical issues, quality improvement, marketing, and health care economics. This flexible program is designed to fit your schedule and help you advance your career in health care.

PROGRAM HIGHLIGHTS

- Complete with the flexibility of a 100% online program designed for working professionals.
- Earn your degree at a pace that suits your schedule.
- Transfer credits from your previous education, military training, or prior learning assessments.
- Learn from instructors with real-world health care management experience, all within your virtual classroom.
- Benefit from tailored academic advising, career services, and a supportive network of peers dedicated to your success.
